

## WSS WORK EXPERIENCE CAREER CHOICES

WEX

---

Write a one page minimum summary to describe the training path for a career of your choice. Make sure to include the following. There are many career websites available to find the information you will require.

- Identify a career choice that you are consider for post-secondary.
- Give a brief description of what you would do in that career.
- Provide a salary expectation for that career.
- Provide an idea of how competitive your career choice is to get into.
- Are there many jobs available in that field or do they project openings?
- Where can you get the training for your career?
- How long does the training take?
- How much will it cost for the training?
- What are the pre-requisites for entering the career or training program?
- What high school courses will help you meet the requirements in the chosen career?

You may include any other details that you think are important.
